Receipt of complaints

From & me to &me it may be the case that we receive a complaint from a client, patient or other person.

All complaints received by the booking consultants, are sent directly to the sales managers, who then decide on the severity of the complaint. In cases where it is a minor complaint, the sales managers will deal directly with all parties involved. In cases where it is a serious or major complaint, the complaint is forwarded to the Quality Control Manager or to the Registered Manager. The Quality Control Manager may receive the complaint directly from a client via the company's centralised complaints email address (complaints@goldenjobrecruitment.co.uk).

Minor vs Major complaints

Any clinical or non clinical complaint which impacts on patient safety, where service users have been placed at risk or any form of abuse would automatically qualify as a serious or major complaint. Minor complaints would generally be around admin type issues. Examples would be arriving late, bad attitude, uniforms, use of mobile phones on shift, etc. However, sleeping on duty would not be a minor complaint as it potentially places services users at risk.
